

## Inaugural 5k Race Series

The 5k Series was established in 2011 and will be competed in 2012. The primary purpose of the series is to promote 3 great events and causes. The race series consists of the annual Bob Swanson Memorial 5k run, the David Hutton Memorial 5k run and the Steve Jerman Memorial 5k run.

There are 4 divisions : Male and Female (40 & under) and Male and Female (39 & under) . One must compete in all three 5k events in the same calendar year. There will be no additional fee or registration required. Simply register for each race. The lowest combined total time will determine the winner in each division. Only one award will be presented per division at the Steve Jerman event. Awards will rotate and be provided on the Series standing link listed below, and over all results will be available via word document after the series is completed & on the bobswanson5k.com web page.

For more information please see the series standing link below or e-mail directly to the individuals
